

TEAM-BUILDING GAMES

When exploring along the park's 2km art-in-nature trail, visitors come across four locked boxes. These are part of our riddle-solving game that challenges participants to think 'Outside the Box' using clues from the sculpture and planting throughout the park.

Imagine an escape room game that takes your group all around the park, unlocking the boxes, removing their contents and joining together to find the final clues.

Most groups take around 2 hours for the game and can book ahead for a light lunch or other refreshments.

Make your booking by contacting Dorothy Wakeling at sculpturepark1@gmail.com
