

## Volunteering at the Sculpture Park and Arboretum

**Please note:** Art-in-Nature Arboretum Trust is responsible for managing the park.

**Thank you for showing an interest in the future of the park. Volunteer help is vital if the park is to be kept up to fulfil the vision for the Trust:**

*'To see the park used to its full potential by the community and to be recognized as a regional resource of botanical, cultural and recreational significance. The art-in-nature experience invites generations in a family to come out together, groups of friends to share a walk, and children to be outdoors on a creative adventure.'*
