

The Art-in-Nature Arboretum Trust wants to make sure the park is well-used in all seasons and that people living nearby can benefit from frequent visits here. We also want children to reconnect with the outdoors and to help parents and grandparents with a wide range of resources so that every visit here is an adventure.

## FRIENDS OF THE PARK APPLICATION FORM

| Date of payment                                              | Cash <input type="checkbox"/> | Eftpos <input type="checkbox"/> | Online payment to <b>01-0321-0485555-00</b> <input type="checkbox"/> |
| I agree to the terms and conditions <input type="checkbox"/> |                               |                                 |                                                                      |

Please introduce yourself upon your first visit with the pass. A pass card can be given to you if you wish to prove you are a passholder to any staff or volunteers on duty. ( This may not be necessary if you are already a frequent visitor.) The park is run by the Art-in-Nature Arboretum Trust. All proceeds from entry fees and Friends of the Park subscriptions help cover the cost of maintaining the park.

### TERMS AND CONDITIONS FOR PASSHOLDERS TO THE PARK

|                                                                                                                                                                                                                                           |                                                                                                                                                                                                              |

- ✓ Park access is in daylight hours only
- ✓ Text us on **0275670996** each time you come to the park
- ✓ The gate will be closed before 10am and after 5pm ---so please park along the fence line between the gate and the mailboxes; you can easily walk around the gate or wheel your bicycle around it
- ✓ Please stay on the pathways at all times for your safety and for the plants to grow
- ✓ Make sure children are close by you at all times and consider the vulnerability of some sculptures
- ✓ From time to time, we have to remove trees, undertake major pruning, and there will be other changes to the park.
- ✓ Be aware of potential hazards on site and report any injuries
- ✓ Please book online for extra guests or pay cash in the honesty box
- ✓ The annual pass is valid for 12 months from the November renewal month
